Willing to join & take active part in H S I:

10 contacted H S I to become actively involved

Suggestions for H S I topics:

- Increase awareness
- Health situation in different countries and regions
- More speakers and more webinars and more information
- More interactive sessions
- Daily life cases and challenges in diagnosis
- More on H pylori non-invasive diagnostics like UBT

180 registrations, 85 viewers live, 38 requested recording

Appreciated most:

- Lectures updated and to the point
 - H S I prevention and strategy
 - Management h pylori
 - Antibiotic dual resistance
 - African HP infection – very interesting for our region
 - Standards GI endoscopy
 - Great talk
 - Very interesting
 - Brief but very useful
 - Understanding the genesis of the African enigma was key
- ### Appreciated least:
- Nothing to dislike
 - Wishing it was longer
