Chers Collègues,

Au nom du comité local d’organisation et de l’EAGEN (European Association for Gastroenterology, Endoscopy and Nutrition), nous avons le plaisir de vous inviter au cours international consacré au cancer gastrique.

Ce cours vous offrira une opportunité unique de partager les connaissances les plus récentes dans le domaine de cette pathologie grave, tant au niveau de ses aspects cliniques que physiopathologiques, avec les plus grands experts internationaux et français de cette maladie.

Nous sommes convaincus que ce sera un évènement important et nous espérons vous accueillir à Nantes à cette occasion.

Dear Colleagues,

On behalf of the Local Organising Committee and the European Association for Gastroenterology, Endoscopy and Nutrition (EAGEN), it’s our pleasure to invite you to this postgraduate course focused on gastric cancer.

This course will give you a great opportunity to share the newest knowledge and experience in this severe pathology, including both its fundamental and clinical aspects, with the european opinion leaders in this field and your colleagues dealing with gastric cancer, through highly interactive and stimulating sessions.

We are convinced that this will be an important educational and scientific event and we hope to welcome all of you in Nantes on this occasion.

Pr. Tamara MATYSIAK-BUDNIK
